ABOUT BUILT BY BROOKLYN

COACHING WITH CONVICTION

Built by Brooklyn was built on one belief: great coaching shouldn't be limited by where you live. With 5+ years of professional experience and a

genuine passion for player development, we deliver position-specific instruction to athletes at every level — right through your screen.

From first-time players learning the basics to high school athletes chasing roster spots — every session is personalized, film-based, and built around *you*.

WHAT WE OFFER

POSITION-FIRST DEVELOPMENT

Every area of the field coached with precision — film-reviewed, personalized, and built around how you actually play.

01

HITTING

Stance, load, swing path, bat speed, and situational hitting. We break down your swing frame by frame and rebuild it with purpose and confidence.

VIDEO ANALYSIS

02

INFIELD

Footwork, fielding angles, glove work, hands, and throwing mechanics. Build the instincts and range that make you the anchor of your defense.

POSITION-SPECIFIC

03

OUTFIELD

Drop steps, routes, fly ball reads, communication, and arm strength. Develop the skills to track down anything in the gap and make it look routine.

FILM-BASED DRILLS

04

CATCHING

Framing, blocking, pop time, pitch calling, and field general skills. We develop catchers who control the game behind the plate and command the dugout.
